SIR,

Subject.- Maintenance of Military Roads in the Civil and Military Station, Bangalore.
Reference - Your letter No L.5728 dated the 29th August 1950.

I write to inform you that from a perusal of the list of roads forwarded by the Military, it is seen that this is a list prepared very recently at the time of or after retrocession or so. The Corporation have not been consulted about the preparation of such a list ?? and it is not known on what basis this list has been prepared.

A copy of the correct list of the Military Roads in the Station was furnished with this office No B 2/585/47 dated the 28th January 1948 and the Government of India in their letter dated the 25th August 1948 informed that three of the roads in the list were not considered essential for Military purposes and that action has been taken by the local Military authorities to abandon them. Action was accordingly taken in deleting these three roads from the list and allowing proportionate reduction in the contribution payable by the Military, vide this office letter No.B 2/585/47 date the 7th February 1949.

It is therefore not possible to reconcile the list now received from the Military with the list maintained here, nor is it possible to accept the new list without a clarification as to the basis on which it has been prepared, etc

P T O

If, however, the Military wants to make any changes in the list as maintained here, this will have to be considered and discussed at a joint meeting between the Military and the Corporation Officers.

The actual expenditure on maintenance of Military roads during 1949 - 50 is Rs.33,764-8-5.

Yours faithfully,

Forwarded with compliments.

Subject Maintenance of Military Roads in the Civil and Military Station, Bangalore.

I am directed to refer to your letter No.9642/47/Q-3(W)/9278/D 7 dated 23rd August 1950, on the above subject and to state that the list of roads furnished in my letter No.L 10193/Cm 63-49-4 dated 30th March 1950 is based on the information furnished last year, the correctness of which has also been accepted in your letter No.9642/47.D-3(W)/58-Q/D.8/50 dated 12th January 1950, while sanctioning the payment of the contribution due to the erstwhile Municipal Commission, Civil Station, for the years 46-47, 47-48 and 48-49.

The list of roads now forwarded by the Military Department appears to have been very recently prepared by them probably at the time of or immediately after retrocession, the basis for which is not known as it has been done without consulting the Corporation and this cannot therefore now be accepted as correct If the Military wants changes to be made in the list maintained in the Corporation office, it may be desirable that the question is discussed at a joint meeting between the concerned Military authorities and the Corporation Officers for its finalisation after mutual agreement.

The actual expenditure incurred by the Corporation on the maintenance of Military Roads in the Civil Station area during 1949-50 is Rs.33,764/8/5 Arrangements may kindly be made for adjustment of this amount very early.

SIR, SUBJECT - Maintenance of Military Roads in the Civil and Military Station, Bangalore

With reference to your Memo No L 9239 dated 13th December 1950 on the above subject, I write to inform you that the actual expenditure incurred by the Corporation on the maintenanc of Military Roads in the Civil Station Area during the year 1949-50 was only Rs 33,764- 8- 5.

In this connection, I am to state that at the time of writing my letter on 17th March 1950, the final accounts for the year 1949-50 were not ready and hence a probable expenditure of Rs 19,900/- for the period of February and March 1950 was included in the sum of Rs 38,753-1-5 mentioned in the said letter This figure may therefore, kindly be treated as cancelled

1. The minutes of the meeting held on 12-12-51 were read out by the CWE

2. The Commissioner of the Corporation stated that Rs 20,000/- per year as proposed will not be enough for the upkeep of the roads The Corporation Engineer said that the cost of bitumen has increased and normally Rs.10,000/- is required per mile for re-metalling and re-surfacing This operation is needed once in 4 years to every road

3. CWE said that Rs. 1840/- per mile per year taken as the basis by MES is for repairs including renewals

4 The Commissioner of the Corporation said that if Rs 25,000/- was given as a lump sum every year the Corporation will ensure that the roads required by the military are kept to the required standard

5 The Sub Area Commander agreed that it was better to give a fixed lump sum every year rather than to have indefinite commitments and paying the actual expenditure incurred But by the Station Commander agreeing to Rs 25,000/-, which proposal will be put up to Govt of India, the Corporation will ensure that the roads within the assigned boundary are in really first class condition The GE should have the right to ensure that all roads within the assigned boundary are attended to by the Corporation and kept in first-class condition, and he may call upon the Corporation to put roads into proper state as required. This was agreed to by the Commissioner of Corporation

6 The matter will now be put up to the Government of India

Sir

I am directed to refer
Reference to this office
letter No L: 9238/C-II/A 63-49
dated 13 12-50 and to
above Subject and to state
that a Conference of the local
military authorities and the
concerned officers of the B'lore
Corporation was held on 19 12-50
at the office of the Commander
Bangalore Sub area to discuss and
prepare a correct list of
Military Roads in pursuance of
the decision made in your
letter No 9642/47/A-3 (a)/
9278/D dated 23 8 1950
As a result of these discussions
it was agreed on both sides

which the Town Council Defence Dept pays a fixed Lump Sum every year, Rather than to have to do detailed Accounts and pay the actual expenditure incurred Calculated on the basis of the accepted Rates for Repairs and Renewals and Annual Contribution of Rs 25 000/- towards this was accepted to be reasonable for the payment of which the Corporation's roads within the Municipal Limits are utilised by the Defence Dept and kept up to the required Standard This Govt is agreeable to the demand made at the joint meeting of the Secretary and the Corporation Officers and this proposal are now put up for the acceptance of the G.O.I.

I am however to add that instead of the Lumpsum annual Contribution of Rs 25 000/- payable as above the Corporation may pay the actual expenditure incurred as heretofore

Sir,

Subject - Maintenance of Military Roads in the Civil and Military Station, Bangalore

I am directed to invite reference to this office letter No.L. 9238/C M.63-49-6 dated the 13th December 1950, on the above subject, and to state that a Conference of the local Military Authorities and the concerned Officers of the Bangalore Corporation was held on 19th December 1951 at the office of the Commander, Bangalore Sub-Area to discuss and prepare a correct list of the Military roads in pursuance of the suggestion made in your letter No 9642/47/Q-3(W)/ 9278/D 7 dated the 23rd August 1950. As a result of these discussions it was agreed on both sides that it was better that the Defence Department gave a fixed lump sum every year, rather than to have indefinite committments and pay the actual expenditure incurred. Calculated on the basis of the scheduled rates for repairs and renewals an annual fixed contribution of Rs.25,000/- was accepted to be reasonable by the payment of which the Corporation would ensure that all the roads within the assigned boundary are attended to by the Corporation and kept to the required standard This Government is agreeable to the decision reached at the joint meeting of the Military Authorities and the Corporation Officers and these proposals are now put up for the acceptance of the Government of India.

2 I am, however, to add that until the Government of India agrees to this lumpsum annual contribution of Rs.25,000/- payments will have to be made on the bills presented by the Corporation on the basis of the actual expenditure incurred as heretofore.

A copy of the proceedings of the meeting is also herewith sent.

Subject Maintenance of military roads in civil and military station, Bangalore

Sir,

I am directed to refer to your letter No L 11756/CM 62.52.1 dated x October 1952, on the above subject, and to say that the matterhas already been considered and the decision communicated to you in this Ministry's letter No 62303/Q3W/3830/DQ dated the 5th April 1952, as amended by corrigendum No 62303/Q3W/6008/DQ dated the 16th May 1952, copies attached for ready reference This decision was reached after taking into consideration the recommendations of the Board which was held at the office of the Commander, Bangalore Sub Area on 12th December 1951 and 19th December 1951 respectively, proceedings of which were received through the local military authorities

2. The Government of India feel that even if the roads were remetalled and resurfaced once in 4 years as stated in para 2 of the minutes of the meeting held on 19th December 1951, the total expenditure is not likely to exceed Rs. 25,000/= The amount of Central Government's contribution has, therefore, been limited to the actual expenditure incurred by the corporation subject to a maximum limit of Rs. 25,000/=. In the circumstances the Government of India feel that orders already issued adequately meet the requirements of the case
